

Mutual Exchange application form For Guinness tenants

Please phone us on 0303 123 1890 if you need this form in large print or in a different format or language. If you have any questions or need help completing the form, please call our Tenancy Management Team on 0161 219 7226.

Things you need to know

You must have written permission to exchange

- Do not make plans to move until you have received written permission.
- If you move without written permission we will ask you to move back.
- We will write to you within 42 days after receiving both applications with a decision.
- You will need to arrange for someone to witness the signing of the legal documents. You will need to
 provide their name, address and email address and they will need to sign to say they have witnessed
 the deeds being signed.
- We strongly advise that you visit the property you are exchanging into to check the property condition
 for yourself. Neither Guinness or another landlord will take responsibility for any tenant repairs
 outstanding or rubbish and belongings left at the property. We will only complete repairs which are the
 landlords responsibility.

What type of tenancy will you get?

The tenancy you will get at your new home will depend on the type of tenancies each exchange partner has. We will discuss this with you during the application process.

If you are exchanging with someone who has a tenancy with a different landlord, you will need to discuss what type of tenancy you will get with your new landlord.

Is your rent account in credit?

If you are in rent arrears we may approve the exchange on condition the rent arrears are paid before the exchange goes ahead. If you have been served a legal notice regarding rent arrears we may refuse the exchange.

Rent in advance

You must pay a minimum of one week's rent plus one week's rent in advance before the exchange takes place. In some cases, it may be a monthly rent in which case you must pay a minimum of one month's rent in advance. We will tell you more about this once we have received your application.

Property condition

We will arrange a virtual property condition check using your mobile phone or a tablet. If you do not have access to either of these, we will arrange a home visit for the check to take place. We will only approve a mutual exchange if there are no outstanding repairs that have been identified as the landlord's or the tenant's responsibility. If we find that some repairs need to be carried out we will put the exchange on hold until they are completed.

A landlord will only be responsible for the repairs which are set out in the tenancy agreement. Any redecorating required, loft or rubbish clearance, overgrown garden, tenant damage etc will be the responsibility of the incoming tenant if it has not been dealt with by the outgoing tenant. Please speak to us if you're unsure about whose responsibility any issues are.

You must make sure the property you're moving into doesn't have any outstanding repairs that are the tenant's responsibility. If these are not resolved before the exchange you may be responsible for completing them after you move in.

Right to buy

If you were previously a council tenant and transferred to Guinness you may have the preserved right to buy. If you are exchanging with another Guinness tenant you will retain this right.

If you move to another housing association you will lose this right, but you will retain the number of years accrued when you were a tenant with Guinness. If you move to a council property you will continue to have the right to buy. Please speak to us if you have any queries about this.

Do not offer money to exchange

You must not offer to pay anyone to mutually exchange with you. This includes paying off their rent arrears. We may refuse the exchange if this occurs.

Withdrawing the application

Any party has the right to withdraw their mutual exchange application at any time and Guinness cannot be held responsible for any inconvenience or expense incurred.

We may refuse your exchange

These are the most common reasons for refusing an exchange:

- A notice seeking possession has been served on you for a breach of tenancy and the notice is still valid.
- Legal action is being taken against you or a member of your household for anti-social behaviour.
- The property you want to move into is too big or too small for your housing needs.
- The property is classed as supported or specialist accommodation and is not suitable for the household's need.

- We will contact you to arrange a virtual property check or a home visit.
- We will request references from any external landlords involved in the exchange.
- You must provide us with proof of identity and right to rent in the UK.
- Once we have received all necessary information and if your exchange has been approved we will arrange to sign the documents, carry out gas and electric checks and confirm the date of exchange.

 on the legal exchange documents. If you are a joint tenant the same witness can be used for both
 signatures.
